**NEWS RELEASE - Crucible Industries, LLC**

**AS/EN/JISQ 9100:2016 Certification**

May 29, 2018

AS/EN/JISQ 9100:2016 Certification Earned By Crucible Industries, LLC

(Pittsburgh, PA) SRI Quality System Registrar is pleased to announce that it has recently awarded an AS/EN/JISQ 9100:2016 Management System certificate to Crucible Industries, LLC, located in Solvay, New York, for the design of CPM® melted products and manufacture of both Air melted and CPM® melted products. CPM® products are tool steels, high speed steels, and stainless steel. Air melt produces stainless steels, automotive valve steel, tool steels, high speed steels and alloy steel products. Other activities include conversion services, laboratory evaluation, and testing and Metallurgical services.

According to Edward L. Maschmeier, Associate Vice President, Certification: “We are pleased to acknowledge that Crucible Industries, LLC has demonstrated effective implementation of a management system. AS/EN/JISQ 9100:2016 certification provides evidence to customers, suppliers, employees, and their community of their commitment to producing a quality product (service) and providing customer satisfaction.”

AS/EN/JISQ 9100:2016 is an international management system standard for the aerospace industry and is based on ISO 9001:2015. Certification recognizes organizations that can link business objectives with operating effectiveness. Companies that achieve Management System certification have demonstrated effective implementation of documentation and records management, top management’s commitment to their customers, establishment of clear policy, good planning and implementation, good resource management, efficient process control, measurement and analysis. Continual improvement has been institutionalized.

*SRI Quality System Registrar is an internationally accredited registrar for management systems standards, such as ISO 9001, AS9100, IATF 16949, OHSAS 18001, ISO 13485, ISO 20000-1, ISO 27001, ISO/FSSC 22000 and environmental management systems standards such as ISO 14001, RC14001, and RCMS. SRI also provides public training for auditing, implementing, and maintaining these standards.*
