Dear Donia:

Your concern about the issues of hunger in our community is evident by the generous donations we received on November 21, 2011. Please convey my appreciation to everyone at Crucible Steel who participated in this generous outreach effort. Our agency distributed the 161 emergency holiday meals to Exceptional Family Resources, Aids Community Resources, and six food pantries in the greater Syracuse area. All the extra food will be distributed to those food pantries with emergency needs and be placed in our emergency bags at Christmas time.

The need in our community has increased as so many people are experiencing financial difficulties. Many have to make choices that we take for granted. The fact that groceries and gas prices continue to increase makes it harder for people to make it through each month.

Thank you again for making this commitment and know that your efforts have made a difference in our community. Please express my deep appreciation to everyone, for their hard work, in making this the most successful for drive ever. I look forward to working with everyone in the future.

*Wishing everyone a happy holiday season!*

Sincerely,
